Official Diary

Monday, 6 August 1951

Mr. Reber called to say that there were no items for the IAC meeting on Thursday. Told him the General wanted an IAC meeting Thursday to discuss recent rumors in regard to commencement of Third World War in September. O/NE will prepare a crash estimate on this. There may also be a presentation by the O/SO [redacted] branch chief on fabricated intelligence.

Called off Assistant Directors' meeting as there were no items for the agenda.

Talked to Mr. Wolf about the letter from Senator Humphrey. Believe the General has not as yet called the Senator.

25X1

Went to O/CI and discussed with [redacted] and Mr. Douglass the type of intelligence production which we will forward to General Eisenhower.
